This case is being re-assigned to you from the files of Monica Wilson. Please notify the parties of your assignment to the case as soon as possible, read the case thoroughly and proceed with processing.

Monica told me her plan to write a Probable Cause finding in this case; however, she did not have the opportunity to do so before she left. I am attaching an Investigative Memo outline; and I am sure that in reviewing files you may have seen a few findings that you may want to use as guides in attempting to write a finding in this case. Please let submit a written plan for completing the case and let me know what further assistance you may need in trying to complete it.

Thanks!
